

A large, white, stylized flame or leaf logo on the left side of the image, set against a red background with a blurred image of a fire door handle and a "Fire door keep shut" sign.

HELPING YOU MEET BUILDING REGULATIONS

TRUST THE EXPERTS

THE UK'S MOST SPECIFIED FIRE-RATED GLASS COMPANY.

WELCOME TO FIRE GLASS UK

Fire Glass is the UK's most specified fire-rated glass company in the UK. Why? Our comprehensive coverage, product range and network of well-stocked local branches nationwide allow us to deliver the glass you want when you need it.

We fully meet building regulations standards and closely follow the independent review into building regulations and fire safety. But, at Fire Glass, we always strive to do more; we work with our customers to provide solutions to their project's needs and always go the 'extra mile'. We believe in helping to find the right solution for your project.

Accreditation and certification are paramount to us as they prove we are committed to providing our customers the best possible products and services. We are Certifire, and Firas accredited for product certification and installation of fire-certified glass. ConstructionLine Gold Member allows us to strictly abide by quality standards and enable us to keep our internal processes up to date. We are also members of the Glass and Glazing Federation (GGF) – which correlate with our Fire Glass SQS promise: Safety, Quality and Service.
